Activity description :

Our firm actively handles the " Rain in Time-Aiding the High-Caring Family " activity. After investigation, it was learned that there is a juvenile host who is in poverty and in urgent need of assistance. His father became a vegetative because of a car accident, and his mother was missing. The grandmother was the cleaner who supported the family. We visit his home on behalf of our care on June 8th. And to send condolences and meat dumplings and dumplings. At the same time encourage the grandmother to contact the teenagers more, and support the teenagers to reform.
