

Family Day Gathering for the Adult Inmates

The Taichung Detention Center of the Agency of Corrections, Ministry of Justice, held a family day gathering for the inmates on 2025/3/6 and arranged professional counseling on health education through psychological health counseling and giving a proper idea for the inmates and their families on topics of addiction. The event is expected to give the inmates and their families related knowledge and support the families of the inmate, which in turn will help the inmates to return to a normal life in the society more readily. This event was concluded in harmonious dialogues between the inmates and their families with the anticipation of 2 inmates and 2 family members.
