

Face-to-Face Meeting in the Mid-Autumn Festival

The Taichung Detention Center of the Agency of Corrections, Ministry of Justice, held an open house event for the inmates on 10.3.2025 to allow face-to-face meetings with their family members. The administration of the center invited the families of the inmates to the center shortly before the Mid-Autumn Festival to provide a good time for the inmates and their families. Mid-Autumn Festival is an occasion characterized by family reunions and well-being. The event is expected to let the inmates feel and treasure the love and warmth of the families, which in turn will help them return to a normal life in the society more readily. There were 7 juvenile delinquents and 8 inmates participating in this event, which was successfully concluded at 11:00 on the day of the event.
